Last time we saw « Desperate Housewives »,
Robin and Katharine had run off together to Paris.
But no - Julie Benz and Dana Delany are here in Monte Carlo.

Dick Wolf's stars toast him after the news that his "Law & Order" series has been renewed for a 20th NBC season... tying with "Gunsmoke" as the longest running TV drama series in American TV history! Law is represented (left) by the cops: Anthony Andrews and S. Epitha Merkerson - and Order by the lawyers Sam Waterston and Linus Roache. Rendezvous here next year for news of, hopefully, a record-breaking 21st Season!
